

WORLD AUTOMOTIVE MACHINERY

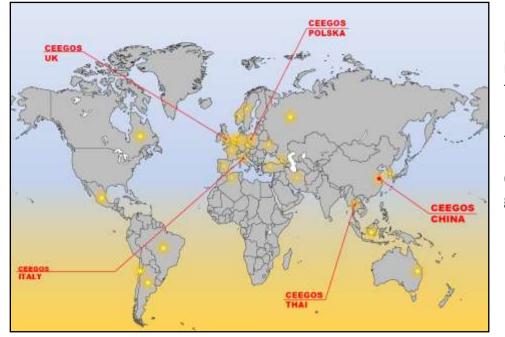

**Ceegos Thailand Co.,Ltd.** was established in February 1990, under the initial name **Auto Set Limited.** Mr. Prasong Saengvijit is the founder and the president to date.

Main business lines were: trading, distributing and servicing of automotive service equipment to standard top class vehicle service centers both in private and public sectors. Our inclusive business also provide turn-key CAD design of car service center, consultation, installation, preventative maintenance and service contract.

We also have a factory in Lat Krabang, Bangkok, manufacturing heavy duty truck lifts.

## HISTORY

With changing of garage equipment business around the world. European suppliers no longer produce their own products. Instead, they buy OEM products from china.

Auto Set Limited together with long time partner, Kwingtone Shanghai and European partners (such as Werther and Omer) established a factory in China and a global brand name called "Ceegos".
